

Mobile Users

You will need:

1. Overdrive App for your device
(Go to: <http://www.overdrive.com/software/omc> to find out which app to download)
2. An Adobe ID
(Go to: <http://www.adobe.com>)
3. CLAMS library card

Once your app is downloaded:

- Open Overdrive App
- Click on Get Books
- Click Add a library
- Enter Eldredge Public Library
- Tap the star next to CLAMS
- Double click CLAMS to open

Search for ebooks (it is possible to limit to available titles only)

- Click on: Add to Cart
- Click on: Proceed to Check out
- Enter: Library card number
- Click on: Confirm Checkout
- Click on: Download

When the download is complete, tap on the book cover to open and enjoy!

We welcome title suggestions.

Mobile Users

You can set default lending periods for your ebooks through your Overdrive digital Account.

All ebook users are limited to 5 checked out items at one time.

Mobile app users can return books early. In bookshelf view, go to edit on top left, then tap the red circle next to book. You can return (if loan period has not expired), then delete.

If the title you want is not available, you can "Place a Hold" and you will be notified by email when the title is available. You will have 3 days to download the item.

If you need help downloading books or navigating your way through the process we would be happy to help you. Please inquire at the Reference Desk or email ref@eldredgelibrary.org.

Check for compatible devices at:

<http://www.overdrive.com/resources/drc/>

Nook Users

On your computer, go to:
<http://clamsnet.lib.overdrive.com>

Before You Start:

1. **Download Adobe Digital Editions (ADE)** software to your computer (software can be found under "Free Required Digital Software" on the left side of the screen.)

2. **Authorize and Activate** your Adobe Digital Editions account with an Adobe ID email and password.
3. Have your **CLAMS card** ready.

Or search for specific titles or authors.

Title not available? Click on: **Place a Hold**. You will receive an email when the title is available for check out.

Step 1: Download ebook to your computer

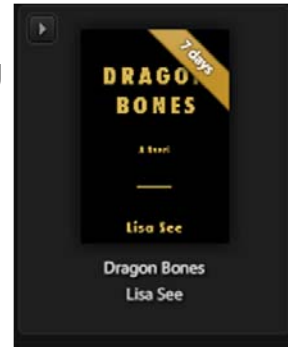

Select the ebook title you want to check out
Add to Cart
Proceed to Checkout
Choose a lending period (**7 or 14 Days**)
Confirm check out
Download

Select **Open** and the file should open automatically in Adobe Digital Editions.

Before it opens you *may* see a security message. Click **Allow**.

Click **Library View** icon to see all titles. 

You will see a ribbon on the cover with the number of days remaining in the check out.

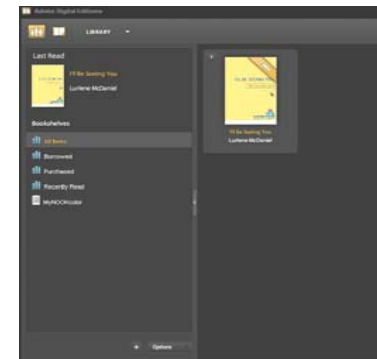

Step 2: Transfer to an eBook reader

When you download your title, Adobe Digital Editions opens automatically.

Connect the eBook reader to your computer using a USB cord and follow the prompts to activate your device. Use the same Adobe ID as entered when you activated your Adobe Digital Editions Software. (You only have to activate the first time you use this)

Once plugged into the computer, your device should show up here.

Click **Library View** icon to see all titles.

Use the mouse to drag and drop the book to the eBook Reader.

Once transfer is complete, disconnect the reader and enjoy!

Step 3: How to return a title "early" and/or delete a title

Click the arrow next to the title in library view to see **Item options**.

Select **Return Borrowed Item**

or
Select **Delete** (for items with expired loan periods)

Attach eBook Reader to your computer and open device contents in ADE.

Follow above steps .
(Item must be deleted on both the computer and the eBook Reader.)

* All ebook users are limited to 5 checked out titles at one time.
